**Creating an environment
designed to work for you, the
Syneo Line Collection.**

The range includes pods and
booths –
all designed to provide a stylish,
flexible, and cost-effective
solutions for today's ever evolving
workspace.

SYNEO LINE

Our pods and booths are designed with health and wellbeing in mind, with features including seated or standing height desks and acoustic brilliance.

The Syneo Line range is designed with straight and bold edges and crafted with acoustically absorbent fabric interior panels.

With hydraulically closing doors that quietly seal behind you, the range provides the ultimate in concentration and acoustic comfort. External options in veneer, laminate and bespoke graphics enable your space to reflect your image.

PHONE BOOTH

Providing a peaceful environment for phone calls, video conferences and a silent retreat for uninterrupted work, the new and improved Syneo Line Phone Booth is designed with your office in mind.

Equipped with top of the range acoustically absorbent materials, LED lighting and labyrinth air circulation system, the space is practical and private yet comfortable with the option to stand or sit.

Unlike other systems the Phone Booth has no base and stands directly on the floor of your office, ensuring no trip hazard, quick installation and easy relocation.

STUDIO POD

The Syneo Line Studio Pod provides a peaceful environment for phone calls, video conferences, interviews, private meetings and a silent retreat for uninterrupted work as a single user.

The pod is designed with health and wellbeing in mind, with options including ergonomic adjustable worktop, labyrinth airflow system, reduced light glare for video conferencing and increased acoustic properties with a framed door option.

Equipped with top of the range acoustically absorbent materials, ambient lighting and an air circulation fan, the space is practical yet comfortable. Unlike other systems the Syneo Line Studio Pod has no base and stands directly on the floor of your office, making it safe, quick to install and easy to relocate.

DUO POD & TEAM POD

Our pods and booths are designed with health and wellbeing in mind, with features including seated or standing height desks and acoustic brilliance.

DUO POD & TEAM POD

Space for collaboration or private one-to-ones are always hard to find in a modern, open plan office environment but our Duo and Team Pods are the ideal solution.

Fully enclosed with a full ceiling and a glazed rear wall, the pods stay light, airy and fresh, yet privacy is all yours. With no compromise on comfort, the pods include top of the range acoustically absorbent materials, a LED ceiling light, air circulation and a passive infra-red sensor. As a modular system the pods can be adapted to specifically satisfy your needs. Options include a latch handle door and veneer or laminate exteriors. In addition, technology features such as a 10" touch screen control interface, multimedia options and power units are also available.

TEAM BOOTH

A room for your every need, our Team Booth is completely versatile. It provides the perfect space for small group work, presentations, video conferencing or an informal break out area. Space for four or more people, the open-fronted booth is enclosed with a full ceiling for privacy and the option to include glazed panels, back-lit fabric panels, fitted workspaces, low back sofas or even coat hooks for that homely feel.

The Team Booth can also be upgraded to include a stylish louvre ceiling. This unique ceiling allows your fire sprinklers to filter through, meaning no additional test requirements are needed. With further integrated technology features available, the booth works around you and your requirements.
