

Syneo Line

Team Booth

"Booths designed with health and wellbeing in mind, with acoustic brilliance."

Team Booth

Why choose Syneo Line?

Functional

Equipped with everything you would need to provide the best user experience

Inclusive

DDA compliant with full turning circle

Modular

Create easy assembled modular private spaces in a compact form

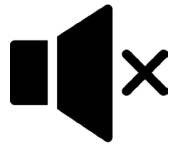

Private

Allowing employees to have the privacy needed in simple way

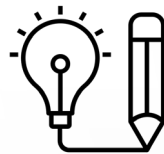

Syneo Line is the perfect environment for...

Confidential meetings

Quiet working

Creativity

Team Booth

Peace in a Booth

The Syneo Line Team Booth provides a peaceful environment for phone calls, video conferences, interviews, private meetings and a silent retreat for uninterrupted work for up to four people. The booth is designed with your office in mind.

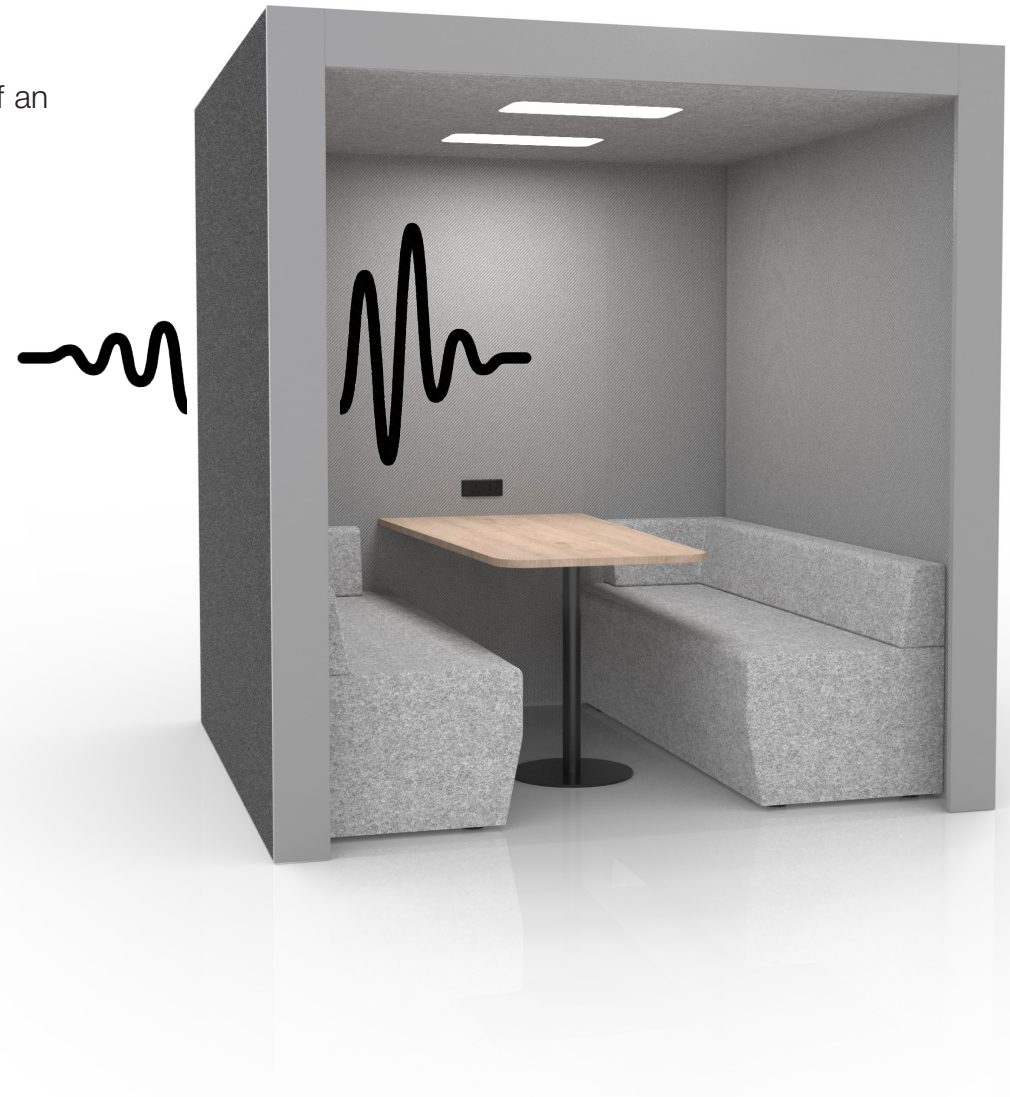

Don't worry though, users will still be able to hear the important ring of an alarm from inside the booth.

The Knowledge

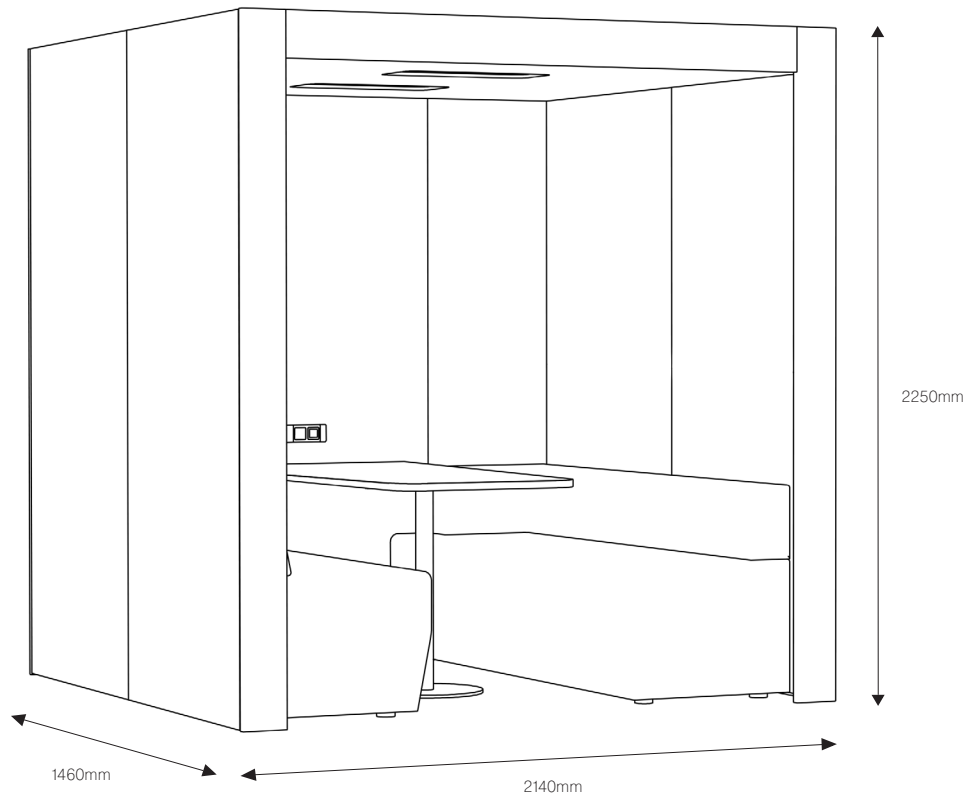

Kelvin (K) relates to the colour temperature of light, while Lux (lx) measures luminance, indicating the brightness.

An airflow gap is essential for maintaining a comfortable and healthy environment within the acoustic booth, helping to dissipate any heat generated within the booth and ensures that air circulation is sufficient for occupants.

Power into this booth will come through the back wall, this is another reason a 50mm airflow gap is essential.

Team Booth

Features

Output AC	240 VAC, 3.15 Amp, 50-60 Hz
Lighting	LED ceiling light 300Lux / 5000K
Interior	2000x1360x2100mm (w,d,h)
Exterior	2140x1460x2250mm (w,d,h)
Weight	335kg

Standard Specifications

- Standard finish upholstered end panels
- Upholstered internal
- MFC frontage as standard
- Passive infra-red sensor
- Acoustic lined panels
- Enclosed acoustic ceiling fan
- Silver rear posts

Team Booth

Feature Options

Mfc table with steel pedestal base
