

Syneo Line

Team Pod Cloud

"Pods designed with health and wellbeing in mind, with acoustic brilliance."

Team Pod Cloud

Why choose Syneo Line?

Functional

Equipped with everything you would need to provide the best user experience

Inclusive

DDA compliant with full turning circle

Modular

Create easy assembled modular private spaces in a compact form

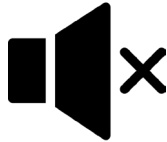

Private

Allowing employees to have the privacy needed in simple way

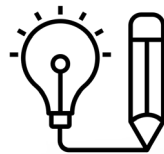

Syneo Line is the perfect environment for...

Confidential meetings

Quiet working

Creativity

Team Pod Cloud

Peace in a Pod

The Syneo Line Team Pod Cloud provides a peaceful environment for phone calls, video conferences, interviews, private meetings as well as a dedicated team working space, where two to four people can collectively focus on any allotted task, removing themselves from normal office distractions.

Don't worry though, users will still be able to hear the important ring of an alarm from inside the pod.

The Knowledge

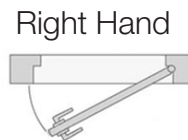

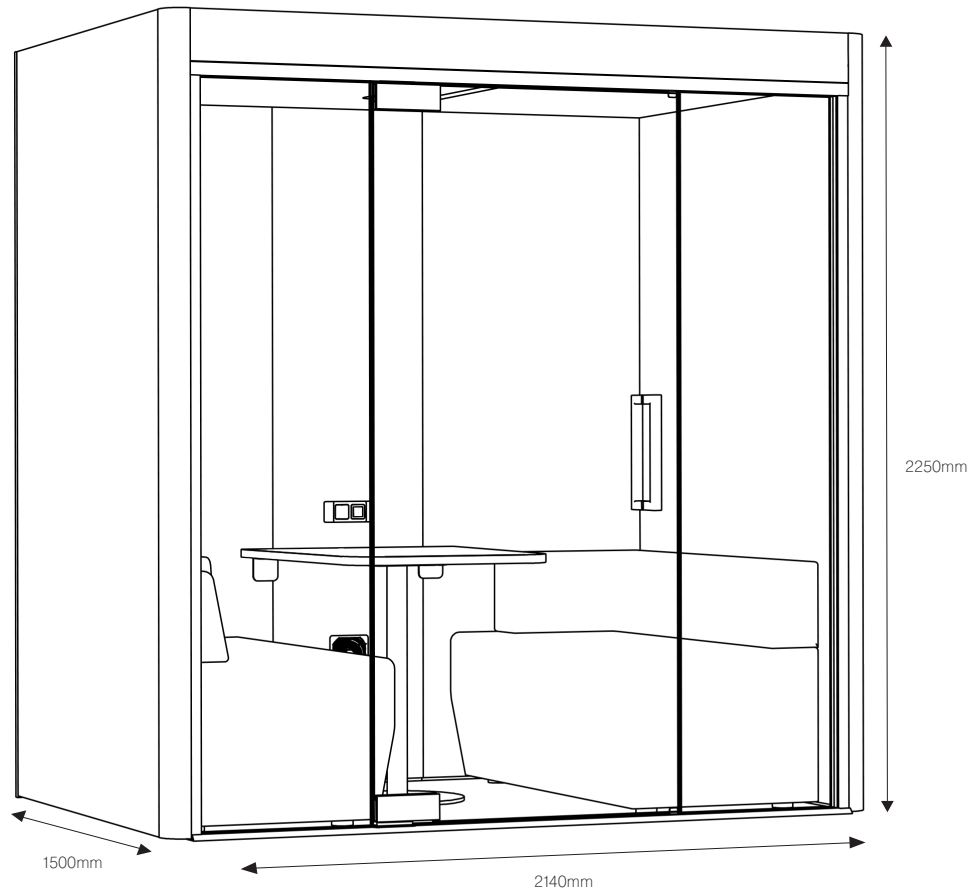

Kelvin (K) relates to the colour temperature of light, while Lux (lx) measures luminance, indicating the brightness.

An airflow gap is essential for maintaining a comfortable and healthy environment within the acoustic pod, helping to dissipate any heat generated within the pod and ensures that air circulation is sufficient for occupants.

Power into this pod will come through the back wall, this is another reason a 50mm airflow gap is essential.

Team Pod Cloud

Features

Output AC	240 VAC, 3.15 Amp, 50-60 Hz
Lighting	LED ceiling light 300Lux / 5000K
Interior	2000x1360x2100mm (w,d,h)
Exterior	2140x1500x2250mm (w,d,h)
Weight	420kg
Doorway	930mm

Standard Specifications

- Right handed door with pull handle
- Standard finish upholstered end panels
- Upholstered internal
- Exposed aluminium frame
- Passive infra-red sensor
- Acoustic lined panels
- Fabric rear wall
- Enclosed acoustic ceiling fan

Team Pod Cloud

Feature Options

Mfc table with steel pedestal base 500mm x 860mm x 740mm (w,d,h)

Left handed door
