

# Syneo Silence

## Studio Pod

"Pods designed with health and wellbeing in mind, with acoustic brilliance."

# Studio Pod

## Why choose Syneo Silence?

### Functional

Equipped with everything you would need to provide the best user experience

### Compact

Creates private spaces in a compact form

### Agile

Optional castors provide the ability to move around the office freely

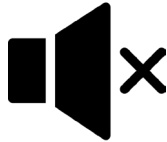

### Private

Allowing employees to have the privacy needed in simple way

## Syneo Silence is the perfect environment for...

Confidential meetings

Quiet working

Creativity

# Studio Pod

## Peace in a Pod

We've designed our pods to ensure the best user experience possible by providing a quiet environment for those inside while also keeping the sound in.

Don't worry though, users will still be able to hear the important ring of an alarm from inside the pod.

## The Facts

We've had our Syneo Silence pods independently tested, so we'll let the result speak for themselves.

Speech level reduction according to ISO 23351-1: 25.6 D<sub>SA</sub> Class B

## The Knowledge

Speech level reduction measures how much an acoustic pod reduces speech-related noise. For consumers, a higher speech level reduction means a quieter and more private environment inside the pod.

Kelvin (K) relates to the colour temperature of light, while Lux (lx) measures luminance, indicating the brightness.

CFM (Cubic Feet per Minute) measures airflow volume, it is important for effective air changes to maintain good air quality and comfort.

Airflow and the airflow gap is essential for maintaining a comfortable and healthy environment within the acoustic pod, helping to dissipate any heat generated within the pod and ensures that air circulation is sufficient for occupants.

## Features

|                    |                                            |
|--------------------|--------------------------------------------|
| <b>Output AC</b>   | 240 VAC, 3.15 Amp, 50-60 Hz                |
| <b>Acoustics</b>   | 25.6 D <sub>SA</sub>                       |
| <b>Lighting</b>    | 3000K 370<600 Lux<br>Table (730mm<1050mm)  |
| <b>Airflow</b>     | 136.8m <sup>3</sup> /h (38 l/s) (80.6 CFM) |
| <b>Air Change</b>  | 61per/h                                    |
| <b>Ventilation</b> | Air flow requires 200mm gap above pod      |
| <b>Interior</b>    | 1122x992x2020mm (w,d,h)                    |
| <b>Exterior</b>    | 1350x1100x2250mm (w,d,h)                   |
| <b>Weight</b>      | 357kg                                      |
| <b>Doorway</b>     | 817mm                                      |

## Standard Specifications

- Seated height shelf 500mmD x 730mmH
- Right handed door with pull handle
- Standard finish upholstered end panels
- Upholstered internal

# Studio Pod

## Feature Options

- Laminate end panels
- Left handed glass door with pull handle
- Standing height shelf 500mmD x 1050mmH
- Sit/stand electric height adjustable shelf
- Under shelf power unit. Puma (2x UK 1x TUF)\*
- Under shelf power unit. Phase (1x UK 1x CAT 6 Data)\*
- Under shelf power unit. Phase (1x UK 1x TUF)\*
- Under shelf power unit. Phase (2x UK)\*
- Custom manifestation
- Full manifestation per elevation
- Relocation wheel set
- Upholstered sofa with black frame

## Environment Control Options

- Light switch
- Variable light controller
- Variable fan controller
- Variable light & fan controller
- Touch screen display light & fan controller

\*Refer to Environment, power and data control options page.

# Studio Pod

## Environment and power control options

Syneo Silence has an array of additional features to help improve health, comfort and concentration.

Our environmental control options are sleek and ergonomic for ease of use.

### Environment control options.

Light Switch

Variable Fan Controller

Variable Light Controller

Variable Double Dimmer

Touch Screen Panel

### Power and data options.

Phase (2xUK)

Phase (UK&TUF)

Phase (UK&Data)

Puma 3 Gang (2xUK&TUF)

## Manifestation

Glass Manifestation is a widely used safety measure designed to help make glass more obvious whilst adding an aesthetic element.

Clear glass

Frosted glass

Square design (As standard)

## Environment and power control locations

Syneo Silence has several locations to best aid and improve your pod experience.

Phase

Phase

Puma

Environment

\*Maximum of 2 power and data options

\*Maximum of 2 environment control option per pod
